

LETTER OF STATEMENT

According to the Memorandum of Agreement between **Telkom University (TELU)** and **Universiti Teknologi PETRONAS (UTP)**, both universities agree to provide funding for this international collaborative research fund (ICRF). Both universities have agreed with the following statements:

1. The funding amount for TELU-UTP international collaborative research fund 2020 is RM25,000/team
2. Five couple of teams have been successfully chosen.
3. The selected winner of TELU-UTP international collaborative research fund 2020 are:

No.	Team	Project Title	Project Leader
1	TELU	Garbage Fisher system and River Pollutant Monitoring	Angga Rusdinar Ph.D
	UTP	River Pollution Monitoring & Prevention	Dr. Mohammed Latheef
2	TELU	Sources-sinks Haze Monitoring System to Mitigate Society Based on AI Decision Methods	Dr. Eng. Indra Chandra
	UTP	Development of Data Clustering Technique in Wireless Sensor Network for Haze Monitoring	Dr. Azrina Abd Aziz
3	TELU	Development of Machine learning approach for inversion of Anak Krakatau	Dr. Didit Adytia
	UTP	Tsunami Preparedness and Management via Drone Technology	Dr. Abdul Halim Abdul Latiff
4	TELU	Implementing A Quality Assurance Framework In Wireless Sensor Network For Microgrid Performance Monitoring	Dr. Jangkung Raharjo
	UTP	Smart Grid Monitoring and Maintenance	AP Dr. Ainul Akmar (CmREAM)
5	TELU	Networked Control and Monitoring of Pipeline and Remote Facilities	Dr. Erwin Susanto
	UTP	Enhancing Maintenance Engineering Decision with Fuzzy Data Discretization Techniques and Random Forest Algorithm	Assoc. Prof. Ts Dr. Mohd Fadzil Bin Hassan

4. The TELU-UTP international collaborative research fund 2020 will be officially started on Jan 1, 2020 with 1 year project duration.
